It's important for our policies, regulations, and ordinances to represent Lake Pointe. Having the chance to become part of our HOA would be a good opportunity for me to share ways we can do better while holding our property values high.

I, as a homeowner, will bring some insight as to what the residents are concerned with and what's not working out for us.

On the other hand, as an HOA member, I would like be part of open discussions for those issues unsolved that need to be solved.

Any comments, concerns, and questions from our community shall be probed. I want to make a difference by joining and making this a better livable place.

Everyone deserves to call Lake Pointe home.
